WHY MOMENTS AT AMM MATTER

At AMM, every smile, question, and small success adds up to big growth.

Whether it's a student volunteering in class, helping a friend, or trying again after a mistake—these are the real victories we celebrate.

“Progress is not always loud; sometimes it's the quiet confidence a child gains every day.”

”

Let's continue nurturing a space where learning feels **joyful, purposeful, and full of care.**

PARENT TIP OF THE MONTH

Strengthen Learning Through Consistency & Confidence

- ✓ Create a fixed study routine – even 30 minutes daily builds discipline
- ✓ Encourage independent work – allow them to try first before helping
- ✓ Celebrate small successes – boost confidence and motivation
- ✓ Ask what they learned each day – strengthens memory & speaking skills
- ✓ Limit screen time & increase reading time – reading sharpens the mind
- ✓ Be patient and positive – strength grows with support, not pressure

Strong learning habits today create confident learners tomorrow.
Your encouragement is their biggest strength! 💪 📚

WHAT'S NEW IN EDUCATION (THAT YOU SHOULD KNOW!)

We are embracing learning by doing – a key step under NEP-2020.

Project-Based Learning: Students now explore real-life challenges through projects.

Life Skills Integration: Activities are designed to enhance communication, teamwork, and empathy.

Environmental Awareness: New “Green Guardian” drives encourage students to protect and care for nature.

Digital Literacy: Early exposure to responsible use of technology in classrooms.

TIFFIN TALK

RAINY SEASON SPECIAL EDITION

Dear Parents,

The rainy season is here, bringing cool breezes, green surroundings, and the need for extra care in our children's diet. During monsoon, fresh, nutritious, and hygienically prepared food helps keep children energetic and healthy.

Experts recommend including wholesome homemade foods and seasonal fruits while avoiding oily and unhygienic outside food.

MONSOON TIFFIN TIPS

- 🍽️ Pack fresh, home-cooked meals.
- 🥗 Include healthy options like poha, idli, paratha, cheela, or dhokla.
- 🍎 Add seasonal fruits such as pomegranate, papaya, or jamun.
- 🚫 Avoid junk food and overly oily snacks.
- 💧 Ensure your child carries a water bottle and stays hydrated.

THIS WEEK'S TIFFIN IDEA

- 🍲 Moong Dal Cheela
- 🌿 + Mint Chutney
- 🍈 + Papaya Cubes
- 😊 Healthy Tiffin, Happy Child! 🌈

Good food today builds a stronger tomorrow. 🍎 💧

FROM THE PRINCIPAL'S DESK

Building Confidence, Creating Opportunities

Dear Parents, Students, and Members of the AMM Family,

Every month at AMM Public School is another opportunity to inspire young minds, nurture values, and celebrate growth. July was filled with meaningful learning experiences, joyful celebrations, and activities that encouraged our students to think creatively, participate confidently, and learn beyond the classroom.

It is heartening to witness our students embracing every opportunity with enthusiasm, curiosity, and discipline. Their achievements are a reflection of the unwavering support of our dedicated teachers and the continued trust of our parent community.

As we move forward, let us continue working together to create an environment where every child feels encouraged to learn, explore, and become the very best version of themselves.

With Warm Regards,

Mrs. Reeta Rastogi
Principal

CAMPUS HIGHLIGHTS

Celebrating Learning Beyond the Classroom

At AMM Public School, every activity is thoughtfully designed to inspire curiosity, creativity, and confidence. From interactive classroom experiences to cultural celebrations, students discover new interests, strengthen essential life skills, and create lasting memories. Here's a glimpse of some memorable moments from this month.

01

Welcome Back Activity

A Joyful Start to a New Learning Journey

The new academic term began on a cheerful note as students returned to school after the summer break with renewed enthusiasm and smiling faces. The Welcome Back Activity provided an opportunity for children to reconnect with their classmates and teachers while sharing their holiday experiences through engaging classroom discussions and interactive activities.

The warm and welcoming atmosphere helped students settle comfortably into the new session, creating a positive beginning filled with excitement, confidence, and a renewed passion for learning.

02

Rainy Day Celebration

Discovering the Joy of the Monsoon

Students enthusiastically celebrated the beauty of the monsoon through a vibrant Rainy Day Activity that combined creativity, learning, and fun. Interactive discussions, themed classroom activities, and colourful photo opportunities encouraged students to appreciate the season while understanding the importance of personal hygiene, health, and safety during the rainy months.

The celebration transformed an ordinary school day into an engaging learning experience filled with smiles, imagination, and memorable moments.

03

Guru Purnima Celebration

Honouring the Mentors Who Shape Our Future

Guru Purnima was celebrated with great respect and gratitude as students paid tribute to their teachers through heartfelt speeches, poems, handmade cards, and creative presentations.

The celebration served as a meaningful reminder of the invaluable role teachers play in guiding, inspiring, and nurturing young minds. It also strengthened the bond of mutual respect, appreciation, and lifelong learning between students and their mentors.

Every day. Every moment. Every child. **Together, we grow.**

ACTIVITY HIGHLIGHTS

Explore • Engage • Experience • Excel

At AMM Public School, every activity is a step towards building skills, values, and memories for life.

Learning Beyond Classrooms

Rhymes & Action Day Activity

Building Confidence Through Expression

Students enthusiastically performed their favourite rhymes with expressive actions and energetic movements, enhancing their language skills, rhythm, coordination, and stage confidence while encouraging joyful participation.

Key Learning: Expression • Communication • Confidence

Finger Painting Activity

Where Creativity Meets Imagination

Students explored colours and patterns using their fingertips, turning blank sheets into beautiful artworks. This hands-on experience boosted creativity, fine motor skills, and hand-eye coordination.

Key Learning: Creativity • Imagination • Motor Skills

Healthy Food Day Activity

Learning Healthy Habits for Life

Children brought nutritious homemade food and learned about balanced diets through fun discussions and activities. The event inspired healthy lifestyle choices and awareness about the importance of nutritious food over junk food.

Key Learning: Healthy Choices • Awareness • Well-being

Mental Math Challenge Activity

Developing Quick Thinking & Logical Reasoning

Students participated in exciting mental math rounds that improved their speed, accuracy, and concentration while strengthening problem-solving abilities and logical thinking.

Key Learning: Logical Thinking • Accuracy • Concentration

“Ek Ped Maa Ke Naam”

Planting Gratitude, Growing Responsibility

Students planted saplings dedicated to their mothers as a symbol of love and care. The activity instilled environmental responsibility and highlighted the importance of trees in sustaining life.

Key Learning: Gratitude • Responsibility • Sustainability

Poster Making on Cleanliness

Creative Voices for a Cleaner Tomorrow

Students created impactful posters on hygiene and cleanliness, showcasing their creativity and awareness. The activity promoted civic sense and encouraged students to be active agents of positive change in their surroundings.

Key Learning: Awareness • Creativity • Social Responsibility

Every activity, every effort, every smile – shaping **confident tomorrow.**
