PROSPECTUS
2026-27

Parents usually worry about these 4 things...

Where
each
STUDENT is
GROOMED
into a **LEADER**

1

My child is shy...

→ We give stage + class speaking chances so confidence grows naturally.
Models

2

English nahi bol paata.

→ Daily speaking practice in simple steps. No pressure, only progress.

3

Marks average hain.

→ Daily speaking practice in simple steps. No pressure, only progress.

4

Discipline nahi hai.

→ Habits, punctuality, and respectful behaviour are trained daily.

Creating Future-Ready Learners at A.M.M.

Every parent wants a child who is confident, well-mannered, and successful.

At A.M.M., we build that future through daily habits: regular practice, clear concept learning, English communication, and values-based discipline—so your child becomes ready for every challenge ahead.

Models

A.M.M. Promise

“We focus on improvement — not comparison.”

Mission

To deliver a balanced education that combines strong academics, English communication, discipline, and life skills. We commit to concept clarity, continuous practice, teacher-guided improvement, and exposure through labs, sports, events, and clubs—so students develop confidence, character, and readiness for real-world challenges.

WHAT CHANGE YOU WILL SEE IN 3–6 MONTHS

*Parents don't want "claims".
Parents want changes they can see at home.
Here's what typically improves when a child follows
routine at A.M.M.*

A English & Confidence

- Speaks more freely without fear of mistakes
- Starts using full sentences instead of one-word replies
- Better reading aloud, clearer pronunciation
- Confidence to speak in class and on mic (assembly/events)

B Writing & Presentation

- Neater work + better handwriting control
- Better sentence formation and vocabulary
- Answers written in proper structure (not incomplete lines)
- Students become comfortable showing their work

C Discipline & Routine

- Better punctuality, uniform discipline, and manners
- Improved homework regularity
- Stronger listening habit and classroom focus
- More responsibility for books, notebooks and schedule

D Academics

- Improved concept clarity due to practice + revision
- Better test performance because learning becomes consistent
- Students start asking "why/how" (real understanding)

Facilities for Sports & Games & Fitness

At A.M.M., we focus on building fitness, discipline, teamwork, and sportsmanship through regular sports periods and structured practice sessions. Students participate in both indoor and outdoor games as per the timetable and availability.

Outdoor Games

- Cricket (basic practice) • Football
- Running/Relay • PT & Fitness Drills
- Badminton • Basketball

Fitness Focus

- Yoga / Stretching • Warm-up routines
- Basic strength & stamina activities
- Swimming

Indoor Games:

- Chess • Carrom • Table Tennis

Hobby Classes Club Activities

At A.M.M. Public School, we ensure every child learns beyond books through structured hobby classes and club activities. Students get regular opportunities in sports, arts, cultural activities, and skill-based learning.

Our clubs and activities focus on building confidence, discipline, teamwork, creativity, and leadership.

Summer Camp

A.M.M. Summer Camp is organized to keep students active, confident, and engaged during summer break. The camp includes a mix of sports, fun learning, creativity, and personality building activities under teacher guidance.

Functions & Programmes

At A.M.M., functions are designed to build stage confidence and personality development. Students participate in well-planned events that encourage public speaking, discipline, teamwork, and creativity.

Added Benefits to the students

- Regular English speaking practice inside classrooms to improve confidence.
- Worksheet + revision system to strengthen basics and improve results.
- Remedial support / doubt clearing (where required).
- Regular activities for personality development and stage confidence.
- Participation in Olympiads/competitions like GK Olympiad / Logic Hunt (as scheduled).
- Counselling and guidance support for students (as required).
- Appreciation through certificates, awards and recognition in assemblies/events.

Educational Trips & Excursions

A.M.M. organizes educational visits and excursions to help students learn through real-world exposure. Trips are planned to connect classroom learning with practical understanding while ensuring safety and discipline.

Clubs at AMM: Where Learning Becomes Confidence

AT AMM Public School, clubs are not “extra activities.” They are structured learning spaces where students explore, create, speak, and lead—beyond textbooks. Across the year, our clubs helped children build curiosity, responsibility, communication, teamwork, and confidence through hands-on projects and meaningful experiences.

When children participate regularly, they don't just learn more—they speak better, think deeper, and become more confident.

1 Sci-Wizard Club

- Experiments
- Models
- Scientific thinking

2 Green Guardians Club

- Sustainability
- Care for nature
- Eco-habits

3 Civic Minds Club

- Democracy,
- Awareness,
- Citizenship & values

4 Cultural Club

- Expression
 - Heritage
 - Creativity & Stage confidence
- Students learned science by doing—like Weather Station models, DNA extraction, and a satellite working project.
 - Environmental learning became real with recycled bird feeders and home water audits that involved families too.
 - Civic lessons were practised through mock voting, quizzes, and awareness tasks—students experienced fairness and responsibility first-hand.
 - Cultural learning helped children express confidently through country presentations, traditional songs, and festival-linked performances.

FROM KNOWLEDGE TO NATION BUILDING

*“Education is the most powerful
weapon which you can use to
change the world.”*
— **Nelson Mandela**

विद्या ददाति विनयम् (Vidya Dadati Vinayam)

At A.M.M., we believe true education builds knowledge with humility.

When children learn the right way, they gain discipline, confidence, and values—the qualities that shape their future.

At A.M.M. Public School, Modinagar, we see education as more than completing a syllabus. Our purpose is to help every child become strong in basics, confident in communication, and disciplined in habits—so they are ready not only for examinations, but for real life.

In today's world, children need the ability to think clearly, speak confidently, and act responsibly. That is why we focus strongly on English speaking practice, concept-based learning, and a school culture built on respect and routine. We encourage students to express their ideas, ask questions, and learn with confidence—without fear of mistakes.

Our classrooms are designed to build strong foundations through regular practice, revision, and supportive guidance. Alongside academics, we provide exposure through events, clubs, sports, and skill-based activities, helping students develop personality, teamwork, and leadership.

We believe parents and school are partners. With your support, we aim to create visible improvement in every child—better speaking, better discipline, better learning habits, and stronger confidence.

At A.M.M., every child matters. Our commitment is to nurture learners who grow into responsible citizens—ready to contribute positively to their family, community, and nation.

Attendance

- Regular attendance is essential for academic progress and participation in school activities.
- Parents must inform the school through the diary/ERP/WhatsApp (as applicable) in case of leave.
- In case of illness, a medical certificate may be requested for long absence.
- Students should reach school on time; late-coming affects discipline and learning.
- Students must be present on the reopening day after vacations.
- No student is allowed to leave the campus during school hours without written permission and gate pass.
- Absence during tests/exams may impact assessment as per school policy.

Class Work & Home Work

- Classwork includes oral and written tasks, notebook work, worksheets and classroom activities.
- Homework is given regularly to build practice and learning habits.
- Parents are requested to ensure the child completes homework on time and maintains neat notebooks.
- The school diary should be checked daily; parents/guardians should sign wherever required.
- Non-completion of work repeatedly may lead to counselling and additional practice support.

Continuous Assessment

At A.M.M., we focus on regular learning instead of last-minute study. Students are assessed through class participation, notebook work, worksheets, oral tests, unit tests, periodic tests and subject-based activities during the academic year. This helps teachers identify learning gaps early and support students step-by-step.

Promotion

- Promotion is based on overall performance throughout the year (tests, exams, classwork and regularity).
- Students are expected to secure at least 40% in each subject (as per school norms).
- Grades/remarks may include participation in co-curricular and discipline.
- Attendance and completion of school work is an important part of promotion consideration.
- The final decision regarding promotion rests with the school authorities as per academic policy.

Examinations / Tests / Assessments

Examinations in each academic session are held as follows:

- September / October: Half-Yearly Examination
- February / March: Annual Examination
- Unit tests / periodic tests are conducted as per the academic calendar.
